

# TABLE OF CONTENTS

<b>Introduction.....</b>	<b>7</b>
Multisensory Perception .....	8
Why does a ventriloquist’s dummy talk? - Consequences of multisensory integration .....	8
Methodological considerations.....	10
Multisensory integration within the human brain.....	13
Perceptual Awareness.....	15
Consequences of awareness .....	15
Studying awareness: Methodological implications.....	16
Awareness within the human brain .....	18
Putting the puzzle together: Multisensory awareness.....	20
<b>Chapter 1: The invisible ventriloquist .....</b>	<b>21</b>
Abstract.....	22
Introduction.....	23
Results.....	26
Discussion .....	32
Materials and methods.....	35
References.....	40
<b>Chapter 2: Steady-state responses demonstrate integration .....</b>	<b>43</b>
Abstract.....	44
Introduction.....	45
Materials and Methods .....	52
Results.....	62
Discussion .....	69
References.....	74

<b>Chapter3: From complex scenes to perceptual awareness .....</b>	<b>79</b>
Abstract.....	80
Introduction.....	81
Materials and methods.....	83
Results.....	93
Discussion .....	101
References.....	105
<b>General discussion .....</b>	<b>109</b>
<b>References.....</b>	<b>114</b>
<b>Personal Contributions.....</b>	<b>119</b>
<b>Acknowledgements .....</b>	<b>120</b>
