| Abbreviations.....   | 7  |
| List of figures.....   | 8  |
| 1. Applied linguistics for translation: introduction.....  | 9  |
| 1.1. The concept of <i>translation</i> .....   | 9  |
| 1.2. Translation as an academic discipline.....  | 12 |
| 1.3. Levels of linguistic analysis that are important.....                                       | 13 |
| 1.4. Further readings.....   | 15 |
| 1.5. Tasks: getting started.....   | 15 |
| 2. Linguistic paradigms and approaches applied to the theory<br>and practice of translation..... | 19 |
| 2.1. Interdisciplinarity in Translation Studies.....   | 19 |
| 2.2. Approaches to Translation Studies.....  | 20 |
| 2.2.1. Holmes' map of Translation Studies.....   | 20 |
| 2.2.2. Main approaches to the study of translation.....  | 22 |
| 2.3. Main contribution of linguistic paradigms to the theory<br>and practice of translation..... | 23 |
| 2.4. Further readings.....   | 26 |
| 2.5. Tasks.....  | 27 |
| 3. The role of the translator and translation competence.....                                    | 29 |
| 3.1. The role of the translator.....   | 29 |
| 3.2. Translation competence.....   | 33 |
| 3.3. Translators' performance: TAPs.....   | 35 |
| 3.4. Further readings.....   | 36 |
| 3.5. Tasks.....  | 37 |
| 4. Theoretical problems and controversial issues.....  | 39 |
| 4.1. Fidelity vs. fluency.....   | 40 |
| 4.2. Translatability vs. untranslatability.....  | 41 |
| 4.3. Equivalence vs. adequacy.....   | 45 |
| 4.4. Further readings.....   | 48 |
| 4.5. Tasks.....  | 49 |

---

|   |     |
|---|-----|
| 5. Translation strategies and techniques.....               | 53  |
| 5.1. Methods, techniques, procedures and strategies.....    | 53  |
| 5.2. Taxonomies of translation techniques.....              | 54  |
| 5.3. Description of fifteen translation techniques.....     | 56  |
| 5.4. Further readings.....                                  | 61  |
| 5.5. Tasks.....   | 61  |
| 6. Practical problems in English-Spanish translation.....   | 65  |
| 6.1. Classifying problems in translation.....               | 65  |
| 6.2. Problems in English-Spanish translation.....           | 67  |
| 6.2.1. Differences between both linguistic systems.....     | 67  |
| 6.2.2. Text type in translation.....                        | 68  |
| 6.2.3. Inverse translation.....                             | 69  |
| 6.2.4. Translating culture.....                             | 70  |
| 6.2.5. Translating literature.....                          | 73  |
| 6.3. How to translate well: duties and tips.....            | 75  |
| 6.4. Further readings.....                                  | 77  |
| 6.5. Tasks.....   | 77  |
| 7. Translation and new technologies.....                    | 101 |
| 7.1. New technologies in translation.....                   | 101 |
| 7.2. Computer-assisted translation.....                     | 102 |
| 7.3. Machine translation.....                               | 106 |
| 7.3.1. The need for MT.....                                 | 106 |
| 7.3.2. How MT works.....                                    | 108 |
| 7.3.3. Free on-line MT systems.....                         | 110 |
| 7.4. Further readings.....                                  | 111 |
| 7.5. Tasks.....   | 111 |
| 8. The evaluation of translation.....                       | 115 |
| 8.1. Difficulty in the evaluation of translations.....      | 115 |
| 8.2. Main approaches to the evaluation of translations..... | 116 |
| 8.3. Criteria for assessment.....                           | 118 |
| 8.4. Further readings.....                                  | 120 |
| 8.5. Tasks.....   | 121 |
| References.....   | 125 |
