 Introduction	 1
Chapter 1 Principles of Green Innovation Management in SMEs	11
1.1 Differences in definitions of SMEs in Poland and Thailand	11
1.2 Terminology and understanding of green innovation	14
1.3 Strategies of green innovation management in SMEs	19
1.4 Benefits of green innovation management for SMEs	22
1.5 Green innovation and sustainability	26
1.6 Strategies for encouraging green innovation management in SMEs	28
Chapter 2 Green Research Policies and Theories for SMEs	35
2.1 Green innovation management policies for SMEs in Poland and Thailand	35
2.2 Green innovation in SMEs in selected countries	38
2.3 Natural resources and triple bottom line framework for successful integration of green innovation in SMEs	44
2.4 Development of study variables and hypotheses	49
2.5 Structuring variables and hypotheses within conceptual models	59
Chapter 3 Research Methodology for Investigating Green Innovation Drivers in SMEs	63
3.1 Research design	63
3.2 Study population and sample size	64
3.3 Study variables and constructs	65
3.4 Data collection techniques and instruments	66
3.5 Reliability, validity and model fitness evaluation	71
3.6 Data analysis	74
3.7 Research design justification	75
3.8 Ethical considerations	75

Chapter 4 Empirical Analysis and Key Insights into Green Innovation Drivers in SMEs in Poland and Thailand	77
4.1 Review of research questions	77
4.2 Results of green innovation management for SMEs respondents in Poland	78
4.3 SEM analysis for Polish SMEs respondents	98
4.4 Results of green innovation management for SMEs respondents in Thailand	105
4.5 Evaluating the conceptual framework data for Thai SMEs respondents	120
4.6 SEM analysis for Thai SMEs respondents	126
4.7 Multi-group SEM analysis for polish and Thai SMEs respondents	132
Chapter 5 Discussions and Recommendations for SMEs' Adoption of Green Innovation Management in Poland and Thailand	137
5.1 Discussions of the findings	137
5.2 Mediating effect of green economic resources in Polish and Thai SMEs respondents	141
5.3 Moderating role of green standards compliance of SMEs respondents in Poland and Thailand	141
5.4 Study results comparison for SMEs respondents in Poland and Thailand	142
5.5 Study results implications	144
5.6 Conclusion	147
